Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

This book isnt about zombies, or killing people. It isnt about fighting (although I did get beaten up). It is a true story of how, in the Summer of 2007, I travelled around America and met up with the reincarnation of Jesus whom I had spoken to online and decided to meet. My initial quest was to rediscover the land of America and find answers to important questions like the meaning of life and where girls pee from if they have no willy. I ended up almost getting eaten by a bear, a real big angry one, but that is another story which I detailed in the book. Writing the book was one of my best achievements, along with holding a girls hand and keeping my life savings of 6 pence and half a curly wurly safe from terrorists and the stock market. My ultimate lifelong goal is to be 5 foot 5 (sockless) and I do many stretches every day to ensure I reach the pinnacle of my genetic superiority.
