*****. We've all heard the old saying, Find a penny, pick it up,

and all day long you'll have good luck. But have you ever

stopped to consider the adventures that lucky penny has

experienced before you picked it up? The Adventures of

Precious Penny is the imaginative tale of a penny who gets to

share her travel stories with the other members of the money

club. Her exciting round-trip journey from the bank includes a

visit to the candy store, some quality time at the playground, a

suspenseful ride in a little boy's pocket, and a thrilling tumble

through a washing machine before she returns to the bank

after resting inside a piggy bank. A great read for children ages

four to six, The Adventures of Precious Penny will ignite their

imagination and inspire them to create their own stories for

the pennies they find. Even adult readers will find themselves

reconnecting with the curiosity and joy they experienced as

kids and opening their eyes to the magic in their everyday

lives....
