Reviews

It is one of my favorite publications. Indeed, it can be playful, nonetheless an interesting and amazing literature. I discovered this publication from my father and he suggested this publication to understand.
(Camryn Williamson)

LIFE IN THE WORLD OF YOMO: START THE ADVENTURE TO YOUR PERFECT CALLING

Biblio Publishing, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.If you've become a prisoner of your own career, a new book teaches the strategies of a very exclusive society-people who love their jobs and how they went about getting them. Life in the World of YOMO: Start the Adventure to Your Perfect Calling, by Dr. Melissa Luke, is a must-have manual for anyone about to enter into a job hunt, and especially for those dissatisfied with their career - which is four out of five Americans. Life in the World of YOMO is a funny and true story about the trials and tribulations of a serial entrepreneur, later to become a highly degreed (but abnormal) professor. The book helps people understand how unimportant academics are, and focuses on career satisfaction by outlining a step-by-step process using a cartoon avatar called a YOMO. This odd but delightful format makes anyone at any age question if they should really go back to school, accept a mediocre job, or just sit in the bathtub in attempts to create the next best pet rock. The answers might be frightening, but may be career altering for one's life.
