And while Eli Goldratt is indeed a scientist, an educator and a business leader, he is first and foremost a philosopher; some say a genius. He is a thinker who provokes others to do the same. In his latest book, The Choice, Goldratt once again presents his thought provoking approach, this time through a conversation with his daughter Efrat, as he explains to her his fundamental system of beliefs. This revised edition includes a section called Efrats Notes, these notes and logical maps are helpful tools that assist in visualizing and implementing the thoughts and ideas expressed throughout this book.
