The Building Blocks of Preschool Success

By Katherine A. Beauchat, Katrin L. Blamey, Sharon Walpole

Guilford Publications. Paperback. Book Condition: new. BRAND NEW, The Building Blocks of Preschool Success, Katherine A. Beauchat, Katrin L. Blamey, Sharon Walpole, Written expressly for preschool teachers, this engaging book explains the "whats," "whys," and "how-tos" of implementing best practices for instruction in the preschool classroom. The authors show how to target key areas of language and literacy development across the entire school day, including whole-group and small-group activities, center time, transitions, and outdoor play. Detailed examples in every chapter illustrate what effective instruction and assessment look like in three distinct settings: a school-based pre-kindergarten, a Head Start center with many English language learners, and a private suburban preschool. Helpful book lists, charts, and planning tools are featured, including reproducible materials. This book will be of value to preschool teachers, administrators, and staff developers and will also serve as a text in courses including preschool instruction and administration of preschool programs.

Reviews

Complete guideline! Its this type of great read through. it absolutely was writtern quite perfectly and helpful. I am very happy to explain how this is basically the best book i actually have read through during my personal life and can be he very best book for at any time.

-- **Joshua Gerhold PhD**

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.
