

## Stephen King's Danse Macabre

By King, Stephen

Everest House, U.S.A., 1981. Hardcover. Book Condition: New. Dust Jacket Condition: Near Fine. 1st Edition. 8vo - over 7¾ - 9¾" tall. Book Club. A square solid tight carefully read copy. The author whose boundless imagination and storytelling powers have redefined the horror genre, from 1974's *Carrie* to his epic *Under the Dome*, reflects on the very nature of terror; what scares us and why; in films (both cheesy and choice), television and radio, and, of course, the horror novel, past and present. Informal, engaging, tremendous fun, and tremendously informative, *Danse Macabre* is an essential tour with the master of horror as your guide; much like his spellbinding works of fiction, you won't be able to put it down.

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
