Reviews

Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Penguin India, New Delhi, 2015. Soft cover. Book Condition: New. 352pp. In October 1947, two months after he became independent India's first prime minister, Jawaharlal Nehru wrote the first of his fortnightly letters to the heads of the country's provincial governments—a tradition he kept until a few months before his death. This carefully selected collection covers a range of themes and subjects, including citizenship, war and peace, law and order, governance and corruption, and India's place in the world. The letters also cover momentous world events and the many crises the country faced during the first sixteen years after Independence. Visionary, wise and reflective, these letters are of great contemporary relevance for the guidance they provide for our current problems and predicaments.
