Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 28 pages. LC Number: HV6545 . U758 2001 OCLC Number: (OCoLC)46804682 Subject: Suicidal behavior -- United States. Excerpt: . . . men, in fact, men over 75 years of age. But it is important to point out that suicide is a problem that affects all ages, all races, and all ethnic groups. For example, while it was once thought that suicide was not a problem with African Americans, very clearly that is not true and has never been true. The rate of suicide in young black males has doubled between 1980 and 1996. So, the concern for suicide in all of our populations, I think, is a very real one. As you pointed out also, most people are surprised to hear that for every two people who are killed by homicide in this country, three people take their own lives. I think the stigma that is associated with suicide has kept us from addressing this issue directly until now, and that is why this hearing is so important. I want to thank people like Dr. Kay Jamison and especially Elsie and Jerry Weyrauch and SPAN, Senator Reid, and other members of your panels today who have been willing to speak out about their own tragic experiences. And I know it has been painful because I have heard from many survivors of suicide the struggles that they go through. So, their willingness to speak out and to provide leadership is really making a difference in this area. The Nation is now engaged in an open dialogue on suicide, and through this hearing we hope to gain a better understanding of the public health problem, but also to gain support for completing a national suicide prevention strategy. The national strategy...
