

How to Understand and Apply Reforms in SEN Policy

By Lois Addy

LDA. Paperback. Book Condition: new. BRAND NEW, How to Understand and Apply Reforms in SEN Policy, Lois Addy, The government has recently concluded its most comprehensive revalidation of Special Educational Needs (SEN) for over 30 years. This book aims to simplify and draw together the plethora of new legislation, policy and guidance to help educators support their pupils with SEN and/or disability. It provides practical examples to guide busy practitioners in completing relevant documentation. It also includes quizzes, photocopiable information and activities that can be used to explain the implications of legislation to others. Each section highlights the implications of the policy or guidance to the school leadership team, SENCos, teachers and governors. This book will benefit: senior leadership teams and governors who must review and assess their existing practice and the arrangements in schools regarding the management, support and teaching provided for pupils with SEN to reflect current legislation; SENCos who may wish to consider their roles and responsibilities towards teachers, teaching assistants and pupils with SEN; teachers in primary and secondary schools who must enhance their existing skills in order to support and teach pupils with SEN; teaching assistants who may find their role in supporting pupils with...

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- **Prof. Arlie Bogan**

It is in a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
