In the late 2020s, the grid finally flickered out for the last time, succumbing to attacks from a newly formed Resistance, fuel scarcity, and general entropy. It is now the year 2037 and many have died, with the few that managed to escape death solely concerned with their daily survival. Gavin Collier is one of those lucky few, but survival alone isn't enough for him anymore. Recognizing that the meaning of life didn't crumble along with the rest of the world, he embarks on a dangerous and personal journey for reasons that few can understand.
