Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.
(Prof. Loyce Runolfsson Jr.)

SIDECAR

Bedazzled Ink Publishing Company, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: A fast, funny, and wholly satisfying compilation of short stories filled with the same rich detail, witty humor, jagged verbal jousting, and joyous intellectual tete-a-tete that are Ann McMan's calling cards. Reconnect with Syd, Maddie, and the Jericho gang in "V1: A Valentine's Day Odyssey," as a sweet and simple gesture of love ignites a conflagration that could destroy friends, lovers, and a professional-grade mixer named Gloria. Meet Kate Winston, Shawn Harris, and the best, brightest, and most uniquely "gifted" personalities in contemporary lesfic, in the all-new novella, Bottle Rocket. Grace and Abbie screw up the courage to let themselves go for one magical night-only to find that the Fates are cheeky little bitches with a wicked sense of humor in "Falling from Grace." Take flight with Poe's celebrated raven in "Nevermore " as two improbable coworkers, Diz and Clarissa, find friendship and maybe a bit more in a comic holiday romp set to the dulcet tones of Enya. Features a foreword by The Rainbow Reader's Salem West. Sidecar carries a bounty of fun, a bit of pathos, and a few fine wine recommendations.
