You cannot plant seed without it starting to grow. As soon as the seed hits the soil, it begins the process that produces a plant, and the plant produces fruit. Therefore, the fruit in your life is the result of the seed you have sown. Only you can determine how you will respond to this teaching! No one else can decide for you! Will you be the hard road, the rocky ground, the soil growing weeds and thorns, or will you be fertile soil, allowing the Word of God to grow an abundant harvest in your life ? The good news is that it does not matter what you have been up until now. It only matters what you choose to be from this moment on. You may be the most hard-hearted person around. You may have been rocky soil, or laden with weeds and thorn bushes. It does not matter! You can break up that hard surface, you can clear away the rocks, you can cut down the thorns and pull up the weeds, and you can till that soil, and fertilize it, and make it ready for seed. You can keep watch over it so that you immediately remove any weeds that creep in. It does not matter what you were, or what you have chosen in the past, it only matters what you choose right now. How you proceed from here determines what you produce! Add this book to your cart now and start sowing the seed of abundance and prosperity into your life!.
