

Patient Guide to Semen Analysis

By Rajasingam Jeyendran

iUniverse, Inc. Paperback. Book Condition: New. Paperback. 62 pages. Dimensions: 9.1in. x 6.2in. x 0.2in. Semen analysis can be a confusing, intimidating procedure. Patient Guide to Semen Analysis is a guidebook expressly written for male fertility patients undergoing testing. Presented in an easy to read Question and Answer format, the text covers everything from the procedure itself, to the biological foundation of fertility and the male reproductive system. Several jokes and cartoons lighten the text, and make an otherwise technical subject easy to grasp. The author, Dr. Jeyendran, is a leading expert in the field with numerous publications. Having worked directly with patients for over twenty-five years, he feels that sharing his medical knowledge makes the entire fertility management process easier. By knowing exactly what's involved during each step of the process, the male fertility patient and their partner will feel more at ease and capable of making the best decisions. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
