Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Sending our children to the public schools has become one of the most widespread staples in American public life. But what if the very nature of public schooling itself detracts from the education? This booklet, originally a collection of blog articles explores the ways in which public schooling is flawed its very structure, and how homeschooling can be free from such plagues. In addition, it is the opinion of the author that making a child's education under the government school system the only education cannot be reconciled with a biblical theology of education.
