

## Silent Witness: How Forensic Anthropology Is Used to Solve the World's Toughest Crimes (2nd)

---

By Roxana Ferllini

Firefly Books Ltd. Paperback / softback. Book Condition: new. BRAND NEW, Silent Witness: How Forensic Anthropology Is Used to Solve the World's Toughest Crimes (2nd), Roxana Ferllini, Praise for the first edition: "This book should be of considerable interest to a broad range of general readers . recommended." -- Choice "An important introduction to the science of forensic anthropology." --Kliatt "Silent Witness" takes readers behind the scenes on real crime cases requiring the skills and expertise of a forensic anthropologist. It describes the techniques they use, how they locate a body and uncover evidence, and how the unique characteristics of each body bear silent witness to age, sex and cause of death as well as clues leading to who or what was responsible. Following a foreword and case study by world-renowned forensic anthropologist Cyril Wecht, the book opens with a review of the science of forensics--how bones "talk." Eight chapters organize 350 color photographs and illustrations to focus on such topics as the history of forensic anthropology; what bones tell us; types of interment and exhumation; body decomposition, facial reconstruction; air disasters; fires and explosives; and massacres. The book uses 32 real-life case studies to illustrate the techniques used. They include...
