Language: English Brand New Book ***** Print on Demand *****.Excerpt from The Recess, or Autumnal Relaxation in the Highlands and Lowlands: Being the Home Circuit Versus Foreign Travel, a Serio-Comic Tour to the Hebrides As the title-page of a book ought to convey some idea of its nature - and as a Preface should do little more, the present one will be short. This little volume is the result of autumnal relaxation from the drudgery of avocation in the metropolis. The name of the author, and the species of drudgery which he undergoes can be of little or no interest to the reader; and it little matters whether he work with the head or the hand - with the pen or the brush - with the hammer or the hand-saw. It boots not whether he carries a hod of bricks or a bag of briefs - whether he is most conversant with the composition of paints, potions, or protocols. A tourist has one principal object in view - to render himself agreeable both to those who travel the same circuit, and to those who only travel round...
