By MR John H Reno

There are many pieces of the end times puzzle: the rapture, salvation, the antichrist, the beast, the false prophet, the vile person, the little horn, gog, Rosh, Dan 9:27, Mystery Babylon the Great, the seven mountains, the seven kings, the seven heads of the beast, the abomination of desolation, Matt 24, the third temple, the apostasy, the restrainer, 666, and Jerusalem. It is very easy for anyone to write about any one of those topics and even give Scriptures which seem to fit. It would seem that it would be much harder to write about ALL those topics, give Scriptures which fit, AND which do not contradict the clear meaning of other Scriptures. I m sure that it will surprise you for me to say that it isn t! What is *very hard*, is to read the Bible and simply accept what it says, *without* trying to make it fit what you have been taught. Even if you ve made no effort to study the end times...
